

CHOC FILLED PANCAKES

INGREDIENTS

1 packet Green's Buttermilk Pancake Shake

Chocolate buttons, melted

Margarine, for greasing

Sliced strawberries

Recipe

Prepare Pancake Shake according to standard pack directions.

Line a pan with baking paper and dollop melted chocolate in 1-inch disc shapes. Pop pan with discs in the freezer to set (freezing the pancake filling first stops it spreading out too much when it hits the hot pan).

Using a paper towel, grease a non-stick pan with a small amount of margarine (tip: butter fries the pancake and creates an unwanted crust).

Pour batter into desired size and add a frozen chocolate disc to the centre, then cover with a small amount of batter.

Allow to cook for 2 minutes until bubbles appear across the top of the pancake.

Flip only once, cooking on the other side until golden brown.

Repeat the process until all the batter is used up. Serve pancakes stacked with sliced strawberries.
